Dear Members of the Board:

The Commission during the preceding 12 months received no reports or disputes relating to ethics issues governed by the State Ethics Law nor by the Village Ethics Code. The members of the Commission have reviewed all financial disclosure forms required to be disclosed under those laws, with no conflicts, nor appearances of conflicts, of interest discovered.

All members of the Commission met in June, 2019 to discuss our activities during that year. However, because of the pandemic during 2020 (and continuing), the Commission did not meet in that year. If matters related to the pandemic and our health improve, the Commission intends to meet in 2021.

If you have further questions, please feel free to contact me.

Yours very truly,

Frank H. McCulloch, II
Chair, Village Ethics Commission
